

At the heart of Rooh is Chef Priya Joseph. She chose Dubai as her home and lets her life unfold through what she cooks each day. Her Indian roots and Singapore-honed discipline meet the city's global energy. At Rooh, ideas, ingredients and memories travel freely across borders, and Indian food becomes cosmopolitan and fluid. It feels as comfortable beside the Creek as in the streets of Mumbai or the quays of Singapore.

Rooh is a place to build memories with friends and family, where shared plates and laughter fill the room. Intentionally minimalist and elegantly restrained, Chef Priya warmly invites you to make it your own today.
